

Bringing Financial Solutions to the Workplace

The Citi at Work program is specifically designed for participating company employees and executives. With Citi at Work, you can gain access to products and services that help you take charge of your financial life and improve your financial well-being, all from the convenience of your workplace.

Benefits for employees of companies participating in Citi at Work:

- Banking products and services, including checking and savings accounts in addition to a wide array of Citi® credit cards from Citibank
- Access to a team of financial professionals that provide guidance for your banking and lending needs through Citibank, and investment and planning needs through Citi Personal Wealth Management
- Interest rates or other discounts on select credit products, including mortgages, personal loans, home equity loans and lines of credit
- Award-winning digital capabilities that allow you to bank whenever and wherever you like
- Global services in the U.S. and in over 35 countries for relocating employees traveling internationally¹
- Special services for employees newly relocated to the U.S. and for employees relocating from the U.S. to another country. Depending on the country they are relocating to, we may be able to provide assistance with the account-opening process
- Free financial education to help you evaluate your current financial situation, including live webinars, on-site seminars and online tools
